

AIDP DC Metro Trade Show News

Dear Re,

The DC Metro Chapter of AIDP is delighted to announce its first table top trade show on April 29th 2010.

This is an opportunity for AIDP trade members and guest vendors to showcase their products and services to the design and decorating community. The show will allow AIDP design professionals to find new and exciting vendors that will help to grow their businesses.

Attendance as a table top vendor or attendee is not limited to AIDP members. In fact, we encourage non-AIDP professionals to see what we are about and visit the trade show. During the day we will feature five workshops on topics that will grab your attention and educate.

Please forward this message to any and all parties that you believe would benefit from this daylong event. Thanks and we look forward to Promoting, Partnering and Prospering with you very soon.

Sue Rosenbaum, AIDP
AIDP DC Metro Chapter President '09-10
